Learning agreement (Course choice)	Acceptation of students in a curriculum is subject to approval of the academic supervisor of that curriculum. We advise students to choose courses in the same year of studies to avoid time-table conflicts: - semester 5: 1st semester of the 3rd year (Fall/Autumn) - semester 6: 2nd semester of the 3rd year (Spring) - semester 7: 1st semester of the 4th year (Fall/Autumn) - semester 8: 2nd semester of the 4th year (Spring) - semester 9: 1st semester of the 5th year (Fall/Autumn) For the same reason, students cannot choose courses in various specialties. Students can contact the department coordinator or send a message to incoming@insa-rennes.fr for any assistance. Students should fill in and sign the learning agreement form (can be downloaded in online application), make it signed by their home institution and finally upload it in their online application.
